PROLOGUE  
— 1974 —

“The Way We Were”

President Robert Kidera

OFFICE OF THE PRESIDENT

PRESIDENT'S MESSAGE FOR PROLOGUE

Throughout the pages of Prologue 1974 are recorded the events and highlights of one year in the life of Sacred Heart University and its students.

In many ways the year 1973-74 was an historic era, marking the end of our first decade - our founding period - and the beginning of our second decade - our maturing years. This was particularly evident in the spirit and enthusiasm of the students this past year.

I have found Sacred Heart students most adept at combining good fun and joy, with a serious concern for learning and the pressing social problems of our day. Though engaged in scholarly pursuits, Sacred Heart students never leave the real world - the world of living and of loving.

It has been a most satisfying year for all of us who are members of the Sacred Heart Community - a year which I personally shall remember with fondness. It has been a year in which I learned much from our students, and from my associates on the faculty and in the administration.

For this I am most grateful, grateful especially to our graduating seniors who set the tone for all of us.

Mr. Thomas Calabrese

"A fine man who is genuinely concerned with the students."

"You don't know he's around until you need him."

"In times of need, in times of hope, in times of planning for the future, he's always there."

To these students comments we add, "Not only has this institution greatly benefited from this man, but also those who have met him, be it once." For the example he provides, we dedicate our 1974 Prologue to Mr. Thomas Calabrese.

To Our Venerable Brother  
**Walter William Curtis**  
Bishop of Bridgeport

We learn with great pleasure, Venerable Brother, that you have recently erected in your See City a new Catholic University dedicated to the Sacred Heart of Jesus; and that, under the wise supervision of the diocesan authorities, this institution of higher learning will be directed and staffed by the laity.

We felicitate you, Venerable Brother, on the farsighted and prudent zeal with which you promote this important undertaking; and, invoking upon its Rector, professors, students and personnel abundant divine graces of illumination and guidance, We lovingly impart to you and them and their benefactors Our paternal Apostolic

Benediction. *D*

Beta Delta Phi was founded as the Hai Adelphi Society in 1964. The sorority offers both social and personal fulfillment to the women at Sacred Heart.

Beta Delta Phi has participated in cancer drives, Thanksgiving Food Drives, the Appalachia Drive, visiting Cardinal McCluskey Orphanage in New York, visiting Van Doren Convalescent Home, and working with children at the Bridgeport Recreation Program.

This sorority is unique in its kind for it is the only sorority on campus that has the Associate Sisterhood Program. This program is a form of initiation where the associate sister involves herself in social projects rather than a rigid pledging period.

Patty Johnson

Wendy Brady 1973 Ivy Weekend Queen

Founded on February 25, 1968 and chartered on April 28, 1969, the brothers of Delta Phi Omega believe in the concept of "total fraternity" where the brotherhood does not end after classes, a problem created by the commuter college. "Total" also means total involvement, where each brother has an opportunity to enrich his life both socially and through service to the school and community.

Barbara Bodzoni

Delta Phi Omega and "Friend"

Gamma Phi Delta Sorority was founded in 1971 making it the third active sorority on campus. The purpose of Gamma Phi Delta is to work within the Sacred Heart community and outside communities in hopes of helping these areas and each individual in the sorority. The group began under the leadership of AnnaMarie DeMattei and twenty founding sisters. Within the past three years with the help of many devoted and hard working sisters the sorority has grown to thirty-three active sisters and thirteen alumni.

Within the past years Gamma Phi Delta has worked with such organizations as the United Way, the Muscular Dystrophy Association, Tuberculosis, Leukemia, the Barbara Ann Fund.

In promoting school unity Gamma Phi Delta has cooperated with other school organizations in joint efforts including bake sales for the Cancer Fund, Appalachia Drive and the Kelly Fund. Working with school functions is also another open road for the sorority. This includes orientation programs, the year-book staff and others. The ideals of Gamma Phi Delta are high but its ambitions are even higher. The sorority would like to extend its best wishes to all graduation seniors.

This year marks the eleventh anniversary of the Kreuzfahrer fraternity. The fraternity at present has 20 members and approximately 180 alumni. Activities which the fraternity have sponsored are, a Halloween party and Easter egg hunt for the children of the community, two blood banks every year, and fund raising for the March of Dimes in the Bridgeport area.

The Church of What Might Happen

Pi Sigma Phi Sorority was founded in March of 1963, the first sorority founded on campus. It unites and involves women of diverse interest in various on and off campus activities.

With thirty active sisters and 150 alumni, Pi Sigma Phi participates in various social and community services. It has sponsored fund raising drives for the American Cancer Society, March of Dimes and Rehabilitation Center. Presently, the sorority is working in the University sponsored Rephase Program for handicapped children and frequently visits area hospitals and convalescent homes. Annual social activities include a period of rush-in for prospective sisters, a Christmas Formal, spring fashion show and a senior dinner which honors graduating sisters.

The Founding Brothers of Rho Kappa Phi

Rho Sigma Chi, one of the most recently chartered organizations on campus, was granted their charter in March of 1972. The brotherhood has devoted their efforts toward several social service projects.

They helped fund the Radio Station for a new tape recorder. They were given the acclaim of honorary members in Connecticut's "Society of Special Friends", for painting the Bridgeport Regional Center. One of the most pride yielding accomplishments of Rho Sigma Chi is their sponsorship of a ten year old orphan child from Brazil, Eustaquio Fernandez Goncalves.

With twenty-one active brothers and thirteen alumni, Rho Sigma Chi has remained in a tightly knit bond of brotherhood. Every measurement of Rho Sigma Chi's success can be attributed to this unending brotherhood.

Joan Atkinson

Rho Sigma Chi at their Pledge Booth

Founded March 17, 1965, Sigma Eta Upsilon is now one of the oldest organizations on campus. Its main goal is to establish unity and brotherhood not only in the fraternity but also in the school and public community.

Each year the fraternity sponsors such activities as money drives, raffles, and car washes. The funds raised go to various charitable organizations both on campus and within the neighboring communities.

The brothers of Sigma Eta Upsilon also take much pride in continuing one of the biggest evenings here at Sacred Heart, "Skit Nite".

Joan Postler

Sigma Eta Upsilon Pledge Booth

During the spring of 1967, the Spi Deltan Society was formed. From this organization, Sigma Psi Delta was chartered in 1968. Throughout the past seven years, the brothers have attempted to exemplify true fraternal traditions and have strived for the betterment of both Sacred Heart University and the community.

Today, 18 active brothers are involved in making this organization. The purpose of the Brotherhood is to promote not only the educational interests of the student body, but also, the cultural, academic, and social interests in accordance with the ideals of the university. In the future, the brothers will continue to help develop Christian judged principles and unite with the university and other organizations into a state of good friendship.

Officers of Sigma Psi Delta

Sigma Tau Omega was founded in 1968 by a group of concerned juniors and seniors who wished to see more social action initiated to the Sacred Heart community.

Their first commitment to social action was the Biafran Drive in which they raised \$2,500. Working our way up, we undertook the responsibility of running a three-day carnival to benefit the Noviciate of Notre Dame in Fairfield.

We began a food, clothing and toy drive which was to benefit the people of Appalachia. Since this project was such a huge success, the fraternity decided to sponsor the drive every year.

Sigma Tau Omega has been the first organization to win "skit night" for four consecutive years.

And now, I'm all alone  
There is no one here beside me  
And my problems have all gone  
There is no one to deride me

But you gotta have friends  
The feeling oh so strong  
You gotta have friends  
To make the day last long  
I had some friends but they're gone  
Someone came and took them away  
And from the dusk till the dawn  
Here is where I'll stay

Standing at the end of the road boys  
Waiting for my new friends to come  
I don't care if I'm hungry or cold or freezing  
I gotta get me some  
Cause you gotta have friends . . . . .

Memories, light the corners of my mind  
Misty water colored memories  
of the way we were

Scattered pictures of the smiles  
we left behind  
Smiles we gave to one another  
For the way we were

Can it be that love was so simple then  
or has time rewritten every line  
If we had the chance to do it all again  
Tell me would we? Could we?

Memories are so beautiful and yet  
What's so painful to remember  
We simply choose to forget  
So it's the laughter  
We will remember  
Whenever we remember  
"THE WAY WE WERE"
